ADDITIONAL ADVISING NOTES: B.S. NURSING

The B.S. Nursing degree is designed for Registered Nurses with either an associate degree or a diploma from a nursing school. Students can have up to 33 previous nursing credits from their basic nursing program evaluated and utilized in this program if they meet criteria established by the School of Nursing. The Program Coordinator can provide details regarding this process.

After having completed all other General Education, electives, and major requirements, and assuming the 33 Nursing credits have been granted, the remaining 28 credits may be completed on a part-time basis.
