444 Simmons Hall
University Park, PA 16802

Permanent Address

1421 Cambridge Dr.
North Wales, PA 19454

OBJECTIVE: To obtain an internship in the field of Information Sciences and Technology.

EDUCATION: **The Pennsylvania State University, Schreyer Honors College** University Park, PA
Bachelor of Science, Information Sciences and Technology Expected May 2009

Cumulative GPA: 3.99

Credits completed: 97.5 (senior-standing)

EXPERIENCE: **The Daily Collegian** State College, PA **September 2007 – Present**
Web Editor

- Responsible for organizing and editing all news content on a Web site that averages over 19,000 unique visits a day
- Managed the deployment and integration of a new content management system into the paper's web publishing process, including training over 40 students to use the system
- Deployed a wiki-based intranet that reporters and editors use to share stories and announcements
- Leading the expansion of web content, including audio recordings/podcasts, flash presentations, blogs and video

Old Lane, LP Radnor, PA

Computer Programmer

May 2007 – August 2007

- Developed a Java and Oracle-based data acquisition system that gathers data from over 20 different sources using web scraping and SOAP web services
- Created an ASP.NET Web-based front-end for the system that traders regularly consult when making \$100,000+ transactions
- Trained long-term IT personnel in the system's use to allow for future extensibility to additional data sources

May 2006 – August 2006

- Streamlined end-of-day accounting by linking Excel spreadsheets directly to the company's database
- Created a web-based lunch ordering system that is used on a daily basis by the entire office

Self-Employed Lower Gwynedd, PA **June 2002 – Present**

Home Computer Repair Technician

- Solved a variety of software and hardware problems for clients
- Installed and secured wireless networks

SKILLS:

- **Programming Languages:** Extensive development in ASP.NET, C#, VBA, Java, HTML; familiar with PHP, Ruby, and Python
- **Operating Systems:** Windows, Linux, OS X
- **Software:** Microsoft Office Premium, Adobe Creative Suite CS
- PMI-based project management

HONORS:

- Eagle Scout, Boy Scouts of America
- High School Valedictorian, 4.0 GPA
- Recipient of the Damon M. Chappie Scholarship for Investigative Journalism
- Co-winner of the second-place Keystone Award for ongoing news coverage
- Recipient of the President's Freshman Award and President Sparks Award for outstanding grade-point average
